

FREE HYROX PACING GUIDE

Know your **goal-time splits** before the gun.

Drop your email and I'll send you a HYROX pacing guide — the run splits and station targets that actually hold up under fatigue — plus early access to the Duravel training app.

- ✓ Built by an age-grouper, for age-groupers — not a generic calculator.
- ✓ Station-aware pacing: accounts for the compromised runs, not just fresh legs.
- ✓ Early access to the full training app — a 14-day free trial, no credit card.
